## Blunt 'sorry' for defending sex assault MP

A FORMER justice minister has apologised after he posted online about the conviction of his fellow MP Imran Ahmad Khan for sexually assaulting a teenage boy.

Tory MP Crispin Blunt (above) removed a post from his website and Twitter feed, in which he had claimed Khan was the victim of a "dreadful miscarriage of justice".

The Wakefield MP was found guilty on Monday of sexually assaulting a 15-year-old boy in 2008.

Khan was thrown out of the Tory Party following the verdict.

Shortly before Reigate MP Mr Blunt deleted his statement on Tuesday, a senior Tory source said his views were "wholly unacceptable".

Anneliese Dodds, Labour Party chairwoman and shadow equalities secretary, called Mr Blunt's comments "disgraceful".

## 'Real pay' drop for UK workers

UK workers suffered the biggest fall in real pay for nearly nine years as the cost-of-living squeeze tightened, according to official figures.

The Office for National Statistics (ONS) said regular pay excluding bonuses tumbled 1.8% in the three months to February when taking soaring inflation into account, as measured by the Consumer Prices Index (CPI) - the steepest fall since August to October 2013.

The ONS said real pay was "falling noticeably", with figures for February showing regular wages dropped 2.1% after inflation.

## Britain hotter than French Riviera

AFTER hard frosts, sleet and snow showers in recent days, sunny and warm weather is set to build towards the Easter holiday weekend and could bring the hottest day of the year so far.

Temperatures could reach 21C (70F) in eastern and south-east England by Thursday, as warm as Nice, on the Cote D'Azur, in the south of France.

And highs of up to 20C (68F) are possible into Good Friday and Easter Saturday, with the rest of the Easter weekend likely to remain fine and dry in most areas.

It comes after sleet and snow showers as far south as the Peak District last Friday and a hard frost on

Saturday night bringing lows of -6C (21F) at Sennybridge in South Wales and -4.5C (23.9F) at South Newington, Oxfordshire.

But temperatures are set to build through this week. Met Office spokesman Tom Morgan said: "It's possible we'll see the warmest day of the year later this week."

"The warm temperatures are likely to continue into Friday and Saturday, when we could see temperatures of up to 20C (68F)."

"For the second half of the bank holiday weekend it is still likely to be dry, but temperatures might start to go down."

## We've had enough, say docs

JUST over a third of GPs plan to quit in the next five years, new figures show.

And three in five (60%) of GPs over the age of 50 plan to hang up their stethoscopes by 2026.

Researchers also said a "worrying" 16% of GPs under 50 were already making plans to leave the profession.

The 11th annual GP Worklife survey by academics at the University of Manchester found a dip in job satisfaction between 2019 and 2021, with 51% saying they were satisfied with their job in 2021.

GPs highlighted problems with increasing workloads, increased demands from patients and having "insufficient time to do the job justice".

The poll of almost 2,300 family doctors working in England found that paperwork was causing stress, as were long working hours and dealing with "problem patients".

More than eight out of 10 GPs reported experiencing considerable or high pressure from increasing workloads and increased demands from patients.

## Sharp rise in COVID deaths

THE number of deaths involving coronavirus registered each week in England and Wales is continuing to rise, but levels remain well below those reached in previous waves of the virus.

A total of 853 deaths registered in the seven days to April 1 mentioned COVID-19 on the death certificate, according to the Office for National Statistics (ONS).

This is up 9% on the previous week and is the second clear week-on-week increase after several weeks where the numbers appeared to have levelled off.

Prevalence of coronavirus is currently near or at record levels across most of the UK, following a surge in infections driven by the Omicron BA.2 variant.

TOUGH TALK: Heappey (below) and Everett (right)

**EVIL** Vladimir Putin has been warned the West will have "all options on the table" if Russian forces are found to have used chemical weapons in an assault on the Ukrainian port of Mariupol.

Western officials are examining claims that a chemical agent was used in a drone attack on the city.

Armed forces minister James Heappey said the use of chemical weapons was "beyond the pale" and if the reports were accurate there would be a response from the UK and its allies.

"It's important to recognise

## Minister warns 'all options are on table' after chemical attack claims

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

that there are all sorts of ways in which these things could be used, from the use of tear gas which is effectively a riot-control measure, all the way through to utterly devastating lethal chemical weapons systems, so I don't think it's helpful to be too binary about the situation because these are highly nuanced," he said.

But he said "there are some things that are beyond the pale and the use of chemical weapons will get a response and all options are on the table for what that response could be".

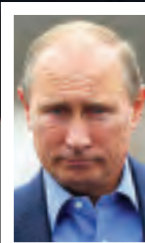

While the minister's words are not quite up there with telly star Kenny Everett's 1983 "Let's bomb Russia" cry at the Tory Party conference, they mark an escalation in the war of words between Putin and the West.

Foreign Secretary Liz Truss

said the UK was working urgently with partners to verify details of the attack.

The Azov regiment, a unit with far-right links which is defending besieged Mariupol, claimed the substance was delivered by a drone and three people have clear signs of chemical poisoning.

Ms Truss said: "Any use of such weapons would be a callous escalation in this conflict and we will hold Putin and his regime to account."

# BORIS AND RISHI FINED OVER PARTIES

PRIME Minister Boris Johnson and Chancellor Rishi Sunak are facing calls to QUIT after it emerged they WILL be fined by the police for attending parties during lockdown.

No10 confirmed the pair had received notification from the Met Police that they would be given fixed penalty notices.

Labour leader Sir Keir Starmer called for the two politicians to resign.

The Met is investigating alleged COVID law-breaking

at 12 gatherings in Whitehall and Downing Street.

So far, more than 50 fines have been handed out.

A No 10 spokesman said they had not been informed which event the fine was linked to.

But Starmer said it showed the Conservatives were "totally unfit to govern".

"Boris Johnson and Rishi Sunak have broken the law and repeatedly lied to the British public.

"They must both resign."

Former Love Islander Megan wowed in a black latex design which barely covered her ample assets.

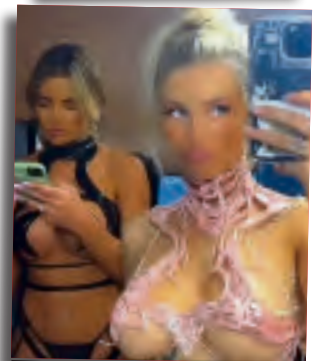

And Lottie posed up a storm in a pink design, with strategically-placed hearts ensuring she didn't quite bare all. Megan teased in her posts 'Your not ready'.

But when the shots were published on the website of the hate-filled Daily Mail, readers responded with VERY inappropriate comments.

## AS THEATRE STARS GATHER FOR TOP AWARDS BASH...

By JAYNE FERGUSON  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

IN December 1895, the Lumiere Brothers invented cinema, rendering the centuries-old medium of theatre obsolete.

But now, way into the 21st century, certain types still like to watch people shouting on a stage and, more bizarre still, theatre is somehow seen as "superior" to better media such as film or the telly.

Last weekend, the great and the good of the theatreland gathered at the Royal Albert Hall to celebrate stage plays that practically nobody outside London had the chance, or the inclination, to watch.

The big winners were *Cabaret* and *Life of Pi*, which have both been made into easier to watch movies. But who are we to pour cold water on London's luvviefest? Anyway, here are some big names from the Olivier Awards looking all nice and busty, and that...

## Prue in a stew over refugees

POTENTIAL hosts for refugees from Ukraine will "give up" unless they are contacted by officials soon about their offers to help, Prue Leith has said.

The *Great British Bake Off* judge said she registered last month under the Government scheme, but has heard nothing.

Dame Prue said: "We're ready and willing to take in Ukrainian refugees – so where are they?"

"We have a log cabin with two bedrooms. We registered our willingness to take refugees the day after the website went live.

"That was in March. Since then, we've heard nothing.

"Instead we've been bombarded with screeds of guff about how well the system is working."

She said there "must be thousands of would-be hosts like us", adding: "And some will just give a sigh of relief and give up.

"I'd have thought we'd be encouraged – or at least kept in the loop."

The victim also recorded a 24-second video of Robinson fondling himself.

He was charged with one count of lewd and obscene acts.

# REALLY LOVE YOUR TIGER MEAT!

## Boffins want to feed us BIG CATS

**FELINE HUNGRY?**  
Tuck into lion or tiger meat

**BRITS of the future could be tucking into TIGERS and LIONS in a groundbreaking project to help save the planet.**

A food company aims to convert meat eaters to 'cultivated' products grown in labs from animal cells which are much less harmful to the environment and may offer significant health benefits.

The company's founder, Yilmaz Bora, argues we eat meats like chicken and beef simply because they are the 'easiest to domesticate'. But by using the cells of exotic animals such as giraffes, elephants and big cats, meats we have never tried could soon be on supermarket shelves. Mr Bora says cultivated meat offers the nutrition and sensory experience of real meat without the negative elements of cholesterol, saturated fats and the 'expense of nature and animals'.

### Carnivores

He said: "Cultivated meat will expand because it's not an alternative to traditional meat; it's an upgrade to it.

"If we want to have a meaningful and long-lasting impact, we need to target carnivores rather than vegans.

"This meat provides the chance to reach a brand new demographic, because some people will never ditch meat despite negative impacts.

"It's a fantastic deal," Primeval Foods say

**By MILES PLATTING**

the animals we eat have not been chosen for their taste or nutrients – but because they are the easiest to domesticate.

The company are looking at producing meat from the cultivated cells of Siberian tigers, leopards, panthers, Bengal tigers and lions.

Mr Bora says some exotic meats could even be prescribed by doctors due to health benefits.

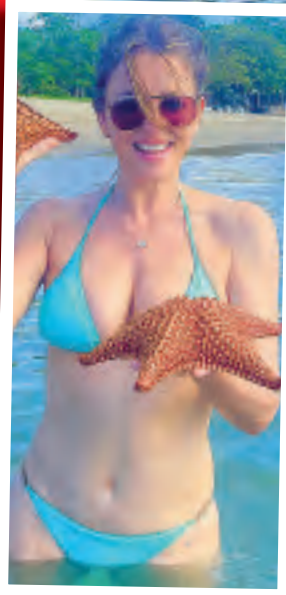

He added: "Now we can explore the tastiest, healthiest, and most nutritious ones.

"We will see a future where we consume cultivated jaguar meat to have better sleep, or cultivated elephant meat to increase our cognitive performance.

"Pediatricians might warn parents to feed their children with cultivated lion meat at least twice a week to have better bone and muscle development.

"It's just the tip of the iceberg which may lead non-vegans to ditch animal products."

## CRUSTIES CLOSE DOWN LLOYD'S

CLIMATE pests have used superglue, chains and bike locks to block entrances to major insurance marketplace Lloyd's of London.

Extinction Rebellion (XR) said more than 60 activists had been at the central London building since 7am on Tuesday to stop staff from entering with the aim of closing the business for the day.

The group said it is demanding that Lloyd's of London stops insuring fossil fuel projects.

Lloyd's, which calls itself as the world's specialist insurance market, has been contacted for comment.

City of London Police said it is "aware of groups of protesters at

Liverpool Street Station and the Lloyd's building on Lime Street" and that officers are at the scene.

XR said people had also scaled the outside of the building and unfurled banners, reading "End Fossil Fuels Now" and "Insure Climate Justice".

The action comes after activists from Just Stop Oil and Extinction Rebellion caused Tower Bridge to be closed for several hours last Friday morning.

Police were called to the bridge after protesters occupied the famous landmark and unveiled a green banner with black writing reading: "End fossil fuels now".

## Kruger: I wanted control over my nude sex scenes

ACTRESS Diane Kruger said she was "pretty guarded" about her nudity on the new Roku drama *Swimming with Sharks*, even though she feels "less inhibited" with onscreen sex scenes.

"The motivation behind sex scenes has to be a good one. I don't agree with just getting naked on screen, or doing stuff like that," Kruger said.

"So I was pretty guarded with what I wanted to be shown. There's always that danger of [thinking] like, 'She's a modern woman'."

But Kruger (above) acknowledged that real-life women "do have sex".

"It's available, especially in Hollywood, wherever you want," she told *Insider*.

"So the realism of that had to be there. And I wanted to control that."

"I wanted to control how it was seen."

*Swimming with Sharks* stars Kruger as ruthless film studio executive Joyce Holt.

Prosecutors allege Gower engaged in “numerous” acts of a sexual nature with seven minors between October 2021 and February 2022.

The charter school has 1,100 students and Gower worked there for around three-and-a-half months.

Students reported her to administrators, who alerted Richmond police.

## Magic mushrooms may help tackle depression

**THE psychedelic compound found in magic mushrooms helps to open up depressed people's brains and stop them getting stuck in a negative pattern of thinking, a new study has suggested.**

Researchers said psilocybin – found in the mushrooms – made the brain more flexible, working differently from regular antidepressants, and it could be a real alternative approach to treatments.

**They said patterns of brain activity in depression can become rigid and restricted, and psilocybin could help the brain to break out of the rut in a way traditional therapies cannot.**

However, the experts at Imperial College London cautioned that patients with depression should not attempt to self-medicate with psilocybin.

## Trans rights crusaders give pussy the boot

PC prodnoses have bugged about with the famous kids' poem *The Owl and The Pussy-Cat*.

Now trans rights campaigners have renamed Edward Lear's poem, saying the word 'pussy' now has 'linguistic connotations' that did not apply when it was written in 1871.

Rebranded *The Owl And The Kitty-Cat*, the poem forms the basis of a trans-propaganda tale called *Peter's Story*, produced by the charity Gender Identity Research and Education Society (GIRES).

Aimed at seven-to-11-year-olds, the book details the central character, Peter, informing his teacher that one of his parents has transitioned to become a woman named Rosie.

The teacher reads Lear's iconic verse to the class, but all references to the word pussy are replaced by the word kitty.

Literary experts last night said that the new version was ill-advised and counterproductive.

Derek Johns, of the Edward Lear Society, said: "I very much hope it's not taken up by any schools in the UK."

A LOON ended up in intensive care after drinking a BLEACH-based solution to try to cure COVID!

The product, known as Miracle Mineral Solution or MMS, has been touted as a treatment and cure for the virus.

But New Zealand's medicine safety authority, Medsafe, says drinking it can be harmful or fatal and there's no evidence it works.

Now COVID has been added to that list.

MMS and similar "water purification solutions" contain a high concentration of sodium chlorite, used as a textile bleach and a disinfectant.

"Consuming these products is the same as drinking bleach," Medsafe said.

The 41-year-old reality star's ecstasy-fuelled sexploits from her 22nd birthday in Cabo San Lucas in 2002 with her 41-year-old ex were famously released by Vivid Entertainment in a 41-minute DVD titled *Kim Kardashian Superstar* in 2007.

"Kim knows Ray J made other tapes of them together. Some of the footage will be incredibly intimate," a source said.

**Cried**

"She has told lawyers, 'Over my dead body is this happening again'."

It's unclear if the threatening footage was part of the alleged second sex tape on a hard drive that Kim's estranged third husband Kanye 'Ye' West claimed he bought from Ray J.

## WOMAN PUT TOT IN TUMBLE DRYER

**A WOMAN** was arrested for stuffing a four-year-old boy inside a tumble dryer and turning it on.

Amber Chapman 35, was busted on child abuse charges after the boy told investigators that "Miss Chapman" put him inside a machine with some towels and that he "went around and around".

The tot was initially taken to hospital with bruising around his eyes, ears, shoulders and back.

The child told the Lake County Sheriff's Office that Chapman, of Eustis, Florida, opened the door at one point in the cycle and then closed it again to resume the tumbling.

A medical report on the case stated that doctors found his injuries to be consistent with the boy's statements.

After gathering enough evidence to pursue the case, cops arrested Chapman and she was later released on bail.

She faces a first-degree felony charge of aggravated child abuse.

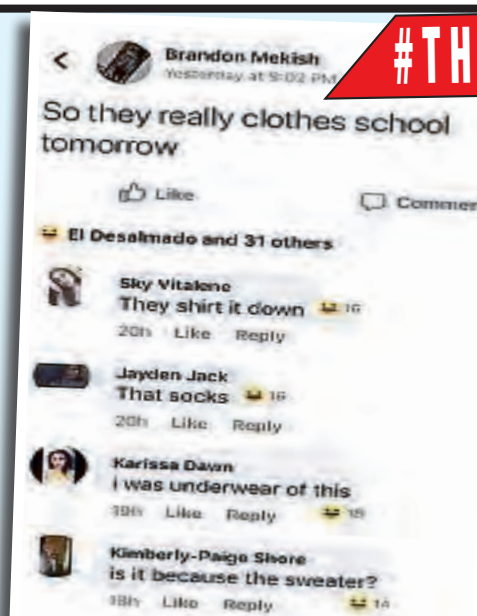

Local law enforcement officials did not release a motive for the abuse.

## MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS  
AND THE HORRIFIC CRIMES THAT SAW  
THEM SENTENCED TO EXECUTION...

**PORTLY** Richard Beasley was a church preacher, a self-proclaimed son of God.

But deep inside lurked the soul of Satan. He offered a series of innocent homeless men a dream job through the popular website Craigslist – but what he actually gave them was death...

# Lured to death LET

VICTIM: Ralph Geiger

**IT all began with an innocuous-looking advert posted on the internet.**

It read: "Wanted: Caretaker for farm. Simply watch over a 688-acre patch of hilly farmland and feed a few cows. You get 300 a week and a nice two-bedroom trailer.

"Someone older and single preferred but will consider all. Relocation a must. You must have a clean record and be trustworthy. This is a permanent position.

"The farm is used mainly as a hunting preserve and has a stocked three-acre pond, but some beef cattle will be kept.

"Nearest neighbour is a mile

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

away. It will be a real getaway for the right person – the job of a lifetime. If you are ready to relocate, please contact asap."

For Ralph Geiger, 56, David Pauley, 51, and Timothy Kern, 47, the words "job of a lifetime" were like manna from heaven.

They answered the ad looking for a fresh start in life.

But instead, they found themselves gunned down and tossed into a shallow grave by evil Richard Beasley, who was being investigated by police for drugs offences and masterminding a prostitution ring.

Beasley, from Akron, Ohio,

planned to steal their identities and make a break for the border to evade capture.

He now sits on Death Row, having been found guilty of his sickening crimes in 2013.

The victims' brains were literally riddled with bullets.

As his only daughter, Tonya, points out, Beasley killed them in the same woods where he'd taken her to experience the wonders of nature as a child.

Tonya said: "The place that he viewed as a family place, the place where he could share real family moments with me, that was also the place he would go to kill people."

State prosecutor Sherri Bevan Walsh thinks Beasley is, quite simply, a monster of the highest order.

She said: "Richard Beasley is one of the most cold-blooded killers we have ever seen in this county."

Beasley, known as Jack to his friends, married wife Tina – and fathered Tonya – before their relationship deteriorated after just a few years.

### Firearms

A divorced father, Beasley worked various farm-based jobs while clocking up a criminal rap sheet that included burglary, petty thefts and firearms offences.

But cops could never have guessed that this low-level robber would one day turn into a serial killer.

He was a faithful member of his church and popular with the local kids, who joked how he bore a cuddly resemblance to Santa Claus because of his round belly and white beard.

He even created a

halfway house for wayward kids and drug addicts, seemingly trying to get them back on the religious path to redemption.

No-one had a clue he wasn't practising what he preached.

Beasley kept the vulnerable kids in line by handing them drugs.

In 2011, detectives started to gather evidence that he was also pimping out some of the girls he was supposed to be helping.

Beasley knew the net was closing in. He was either going on the run or going to prison.

His solution was to try to create a new identity and then simply disappear for good.

The first man in Beasley's sights was Ralph Geiger, who was living in a homeless shelter in August 2011.

Once a successful business owner, Ralph had fallen on hard times when the economy crashed.

He visited the public library every single day, desperately searching for jobs. That's where he saw Beasley's advert on Craigslist.

And unfortunately for him, he took the bait.

Beasley, along with his terrified and coerced teen sidekick Brogan Rafferty – a waif and stray he had taken in, befriended and treated as his 'nephew' – pounced.

Ralph was lured to the woods, shot in the back of the head and his wallet swiped.

Within a few days, Beasley was using Ralph's social security number as part of his

**TERRIFIED:** Partner in crime Brogan Rafferty said he was too scared to go against Beasley's twisted plan

wicked deception.

He had even coloured his hair to match murdered Ralph's.

By October, Beasley was looking for a new target. He found it in David Pauley, a dad-of-one who had hit the skids having divorced his wife two years earlier.

When he got Beasley's "job offer", David packed his truck and trailer and set off to Ohio from his native Virginia "happy and excited", according to his sister Debra Bruce.

She never heard from him again.

Just like Ralph, he was executed in cold blood by Beasley and Rafferty.

A month later, it was the turn of Timothy Kern.

Again he was lured to the back country by the promise of gainful employment.

Tim had divorced in 1997 and was doing everything he could to provide for his three sons, seeing them every day and helping to coach their baseball team.

On November 12, Tim announced on Facebook that he had taken the offer of a dream job, the only drawback being he wouldn't be able to get phone reception.

Most of all, though, he'd miss his kids.

He texted the boys to tell them he loved them, but it was the last time anyone would hear from him.

In court, Brogan Rafferty gave a

**IN FRIDAY'S**

# by church-preaching killer... US PREY!

VICTIM: David Pauley

VICTIM: Timothy Kern

**MURDER PLOT:** When evil Beasley felt net closing, he killed to obtain new identity

by a whispered swear word from Beasley's lips.

Scott said: "I looked in his eyes and all I saw was coal. They were black eyes. They were black like a shark in feeding water."

"I must have jammed. I should have hit the ground and that should have been the end of me. I turned around and when I did he shot me right in the elbow. It shattered everything in there."

Badly wounded but still standing, Scott began sprinting.

He said: "I just kept running and falling and running and falling – and he just kept popping shots at me."

Scott somehow hid throughout the night, surviving until dawn, before he eventually managed to summon help from a nearby farmhouse.

Now the hunt was reversed as cops flooded the area looking for Beasley and Rafferty.

One by one, the graves of the deceased were discovered.

A day later, Beasley and Rafferty were arrested.

In November 2012, Rafferty was sentenced to life in prison having pleaded guilty to all the charges against him.

He told a jury he'd been too scared of Beasley to go against his twisted plans.

"I was involved but I didn't like it," he said. "I

wouldn't have done it if I'd had any other choice."

Beasley, on the other hand, still protests his innocence to this day.

After being found guilty, he angrily spat: "I state here today officially and for the record, I have killed nobody. That's a fact."

Nevertheless, he was handed a death sentence in April 2013.

## Slayer

Survivor Scott – the key witness in putting Beasley behind bars – had strong words for the slayer who failed to claim his life.

He looked him in the eyes and said: "I will be there when you get the death penalty, smiling. You'll remember this face."

While it's tough to feel any remorse for Beasley, there was one final twist – with his mother Carol tearfully begging for leniency.

Carol claims her son, like so many other serial

killers, had suffered physical abuse by his stepfather and had also been sexually abused by other neighbourhood youngsters.

Now, though, it's Beasley's own daughter Tonya who must carry the weight of what her father has done.

After all, it was Tonya who helped her dad create the Craigslist advert in the first place.

She said: "I blamed myself for everything that happened. If I'd known he was planning to use the internet to do these things, I wouldn't have shown him when he asked me about it."

"It was new technology to him, so of course I showed him all of these things."

"He just told me he wanted to sell a few of his old things that he could no longer use."

"I didn't think anything of it at the time. I thought it would just help him make some side money."

# STAR WARS HOARDER BURIED MUM & SIS IN THE BACK GARDEN

**HID BODIES:** Leiko

## Cops found house was full of POO

**A HOARDER allegedly hid the deaths of his mother and sister after their bodies were found buried in the backyard of the family's shit-and-piss-filled home.**

Michael Leiko, 45, of Lyons, a suburb of Chicago, will be charged with two counts of concealment of a death.

Police chief Thomas Herion said an investigation could also lead to federal charges connected to Leiko's alleged cashing of his mother's monthly \$1,000 Social Security cheques for years after she died.

Leiko was not charged in the deaths of Jean Leiko, 79, and Jennifer Leiko, 44, because the medical examiner could not identify how either one had died.

## Cluttered

But his brother John, 41, faces obstruction charges after telling cops his mother and sister were alive and living elsewhere, despite knowing they were dead.

There were no operable toilets in the home and several bags of urine and faeces were found inside, Herion said.

He also said items such as *Star Wars* toys were stacked up to the ceiling and the home was so cluttered that

the brothers exited and entered by climbing through windows.

The bodies of the two women had been buried in plastic tubs sealed with duct tape. It's believed the bodies were kept in the house's KITCHEN before they were buried.

Herion said Michael Leiko told police that his mother had died in 2015 after his sister pushed her down the stairs and that he buried his sister in the yard in 2019 after she became ill and died.

He claimed his sister had died of COVID-19, despite the first COVID case in Illinois not being found until February 2020.

I put one between his eyes."

"He then emptied his wallet. The man literally, I think, had five dollars on him."

By now, Beasley was getting complacent.

But when he went fishing for a fourth victim, he got more than he bargained for.

Scott Davis, 48, was divorced and estranged from his wife and son, but he was looking for work where he could find it while living at his brother's house.

He saw Beasley's advert and began dreaming of a new life.

After turning up at the farm, Beasley took Scott off into the woodland to repair a path, only to become "confused" and forget where he'd left the equipment they needed.

As Scott turned away from Beasley, he heard a click – the sound of a gun misfiring – followed

harrowing account of Tim's brutal death.

As family members wept, he revealed: "I heard a pop and I turn around and Mr Kern is on his knees, kind of holding the side of his head, and Beasley is saying to him, 'Are you all right?'"

## Bullets

"Beasley shot him again. I think he shot him three times in the head."

"The gentleman was still breathing, so Beasley went up and got the gun close to him and he shot him again."

"I said, 'He's still alive,' and Beasley said, 'His brain's dead, there's no way – he's got four bullets in his head and

# JUSTIN DUNN'S ROOM 101

**WHAT'S ANNOYING HIM THIS WEEK?**

## Brooklyn Beckham

## ...what does he actually DO?

**LAVISH WEDDING:**  
Brooklyn and bride Nicola

**DID your heart melt a little when you saw the glossy pictures covering the wedding of David and Victoria Beckham's eldest son, Brooklyn?**

Was there something in your eye when you read how Becks recalled lying next to the door in once-baby Brooklyn's maternity room to protect him as much as he could?

Or perhaps your dam burst when the happy couple took to the dancefloor to awkwardly shuffle along to *Can't Help Falling in Love with You* (thankfully not the UB40 version)?

The happy couple drove away from the lavish three-day ceremony in a £500,000 turquoise electric Bentley, apparently a wedding gift from Goldenballs himself.

It must have been. As Victoria's fashion firm needs bailing out by him every year to the tune of millions, she probably can't alone afford even matching salt and pepper pots from Wilko's.

The guests were just the usual people you see at weddings – embarrassing uncles, pissed aunties dancing shoeless around their handbags to *Build Me Up Buttercup*, Gordon Ramsay...

And aside from the newlyweds' fancy new motor, the whole £3million shebang, complete with guest goodie bags, was reportedly paid for by the bride's billionaire dad, at his own insistence.

Ah, yes – almost forgot. There was a bride involved in all this, too.

Some stick thin 27-year-old blonde model/actress bird who is set to inherit the fortune made by her father, not least by owning the US burger chain Wendy's.

The Wendy's connection is no doubt of great interest to Beckham Junior, 23, whose latest dismal attempt to

become feted like his dad is to become a TV chef.

With a crew of just SIXTY-TWO people to make the programmes – not even for TV, mind, but Instagram – he has done the opposite of wowing viewers by mansplaining how to make a bacon and egg sandwich.

He doubly not-wowed with his interpretation of that fantastically difficult-to-make repast of, erm, steak and chips.

And no doubt the whole of Italy cheered when the wannabe chef – whose dad, don't forget, is bezzes with the aforementioned Mr Ramsay – offered a startling observation.

"I love cheese," he smoldered into the camera lens. "It's like butter."

Now, love him or loathe him, Daddy Becks earned his vast crust by being one of the best passers of a football in the world.

Mummy Victoria also had a successful career in the Spice Girls as what looked like an unconvincing lip-syncing backing singer.

### Dazzled

She couldn't really dance, either, but with nice pins shown off by tight 'n' teeny short skirts and, later on, massive fake boobs, we ignored the shortcomings.

But what of Brooklyn, whose career so far has involved a foray into photography (don't bother) and now child's cookery?

His life seems desperately trying to be his dad – the previously mentioned smoldering at (real) photographers, slathering himself in tattoos and coming across as a bit thick.

His new bride, Nicola Peltz, who appeared in a *Transformer* movie, will no doubt be nonetheless dazzled by this new celeb-strewn chapter in her life.

And if Brooklyn's cooking ambition goes tits up, which it almost certainly will, there's still good news for

Miniballs. He can always get a job in his father-in-law's fast food chain.

Asking if you would like "fries with that"?

## **#MY SEX FANTASY**

**...WITH  
LUCY LY,  
34, FROM  
NEWCASTLE**

**I OFTEN fantasise about taking part in a wild ORGY.**

I've never done anything like that like, but it would be super wild for me!

There's a sex club local to me and I've seen pics of it in a news article. It looks seedy to be honest – which is totally the appeal!

I fantasise about going there on a whim one Saturday night. I'm shy and nervous but the alcohol kicks in and I relax and get chatting to people.

There are several men paying me lots of attention and I start kissing one.

Then the others kiss me, too.

Before I know it we're all in a state of undress and there are cocks being thrust in my mouth and I eagerly suck them.

A hot girl with big boobs joins in – I love a bit of lesbo action – and it turns into a sea of bodies all touching, licking and thrusting into each other.

I'm so turned on just describing this!

Maybe I'll pluck up the courage to do it...

## Pubic hair 'choked' man's cock

A MAN nearly lost part of his penis after errant pubic hair ensnared the tip and cut off its circulation like a grotesque garrotte.

"We describe an unusual case in an adult resulting in erosion of the urethra," read a Urology Case Reports study detailing the victim's phallic asphyxiation.

He specifically suffered from hair tourniquet syndrome, in which hair or thread becomes tightly tangled around the genitals and other extremities.

The affliction can cut off the blood flow, requiring patients to undergo surgery and possible amputation.

The 57-year-old native of Geelong, Australia, who was uncircumcised, had reported extreme pain and swelling of his glans – the scientific term for the bellend – for two weeks.

An examination of the foreskin revealed the source of his pain to be a "complex hair tourniquet of short, matted" hairs that had encircled the area beneath the glans like a miniature choker.

Experts believe it was caused by the man neglecting to clean the region properly.

Doctors managed to repair the urethra, although he was left with a deformity under his glans.

## Roommate lived with dead body for a MONTH

THE death of a 76-year-old man was ruled suspicious after his roommate was found living with the corpse for a month.

Oakland County Sheriff's Department officers were sent to a home in Independence Township, Michigan, for a wellness check on the owner.

A resident at the house said the man was sleeping in a bedroom.

Officers then found the man dead in a bathroom.

The roommate eventually told police the man had died about a month ago.

The roommate was then taken to a police station to be interviewed by detectives.

An autopsy will be conducted and the case is under investigation.

## Cock 'n' balls girl makes swears collars for pets...

# THE DOG'S BOLLOCKS!

By SIMON DEAN [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**HOW does dancing around in a giant cock 'n' balls outfit sell dog collar bow ties?**

Businesswoman Kerry Whitney has no idea...but it's certainly working!

That said, Kerry's bow ties for pooches are not normal novelties because they are Britain's SWEARIEST pet accessories.

Kerry, who lives in Gateshead, started making the rude collars in 2016 as a hobby and sells them on posh craft website Etsy.

Then came lockdown and the 41-year-old left her hotel management job, set up her website, [www.frankysbowtique.com](http://www.frankysbowtique.com) – named after her seven-year-old pug, Frank – and hasn't looked back.

Kerry laughed last night: "In business I have to be true to myself and being true to myself involves swearing!"

A year ago, she decided to live up her Insta page with a "daft dance" every Friday.

She explained: "It just cheers people up. I was a holiday entertainer so I have loads of costumes. I honestly had the giant penis costume just lying about."

"It's a bit of fun and that's what people need right now!"

# TOP UNI: MATHS IS RACIST!

ADDED WORK: Durham Uni

A NEW guide has urged professors at Durham University to make their maths curriculum 'more inclusive' and to consider the 'cultural origins' of concepts they teach, it has emerged.

The prestigious institution, ranked seventh in the UK for their maths curriculum, asked academics to question themselves if they are citing 'mostly white or male' mathematicians in a bid to 'decolonise' the syllabus and make the topic 'more open'.

All staff have been asked to 'consider giving short

biographies' of the research they will be citing within the module to ensure the subject 'can be used to assist in trying to achieve equality'.

The guide says that if mathematicians are 'almost completely (or even completely) white and/or male, ask yourself why they are. See if you can find contributions to the field from mathematicians of other genders/ethnicities'.

Durham Uni scientists were asked to investigate how the 'power of 10', represented by the word "billion", 'differs

from country to country' and how ancient Indian astronomer Brahmagupta 'assigned a different meaning to the value of zero'.

The university said decolonising the mathematical curriculum 'means considering the cultural origins of the mathematical concepts, focuses, and notation we most commonly use'.

Professors were also asked to 'consider whether you can present the context outside of a Western frame of reference' when using examples to explain puzzles.

# THE WORLD FAMOUS AGONY

## Page

Dear Lexi,

MY wife's best mate got divorced last year and until recently she hadn't had sex for six months.

Back in February she came round for a meal and after a few glasses we started talking about sex.

It was then she told me how horny she felt before asking my missus if she could "borrow" me once a week.

My wife said it was up to me, so I agreed – and to celebrate our deal we had a threesome.

They sucked my knob before I shagged both of them.

For a few weeks I was screwing my wife's mate on a Wednesday – and she was up for pretty much anything.

But then the missus told me that she fancies a bloke at work and wants to have it off with him when things get back to normal.

I don't want her to, but she says if I don't agree then I can't ever shag her pal again. What do you say?

DP, Hants

Lexi says...

SURELY that's only fair.

Dear Lexi,

RECENTLY at work there was a promotion up for grabs.

I'm a 23-year-old woman with ambition, long blonde hair, long legs and 36D breasts.

The job on offer was as PA to the manager.

I dressed up for the interview in a black thong, micro-mini and knee-high black leather boots.

The manager, who is 62 and has a sexy bald head, couldn't take his eyes off my legs.

He said I'd have to work overtime and go away on trips with him.

I said: "Certainly, sir, you're the boss," as I pouted and winked at him suggestively.

He asked me to bend over and touch my toes and when I did he told me the job was mine.

To celebrate, he took me out to dinner on the back of his motorbike and the ride made me so randy I suggested we stop off at a hotel.

He was as turned-on as I was, and we did it five times that night. But I'd prefer to be his lover than his PA. What do you think?

AN, South Yorks

Lexi says...

JUST think of it as perks of the job.

## Daughter's horny pals reckon I'm a superstud!

Dear Lexi,

FOR some reason two of my daughter's friends think I'm some sort of superstud!

They're 20 and I'm 44, but they are always sidling up to me and offering sex when my daughter isn't looking.

One Saturday night, I gave my daughter and her mates a lift home after they'd been out to a club in town.

I dropped my daughter off first before taking her mates back to their place a few miles away.

I could hear them giggling in the back seat and just thought they were having a bit of fun.

Then one of them said that I didn't have to take them straight home if I wanted to be surprised.

I glanced in the rear-view mirror and got the shock of my life. They were both naked!

I don't know what came over me but I drove as quick as I could to a country lane and got in the back seat with them.

I ended up shagging one while the other sat on my face and then doing the same again the other way around.

I've been shagging both for a while and I'm loving being the centre of attention.

But I fear my daughter knows. What should I do?

RD, Tyneside

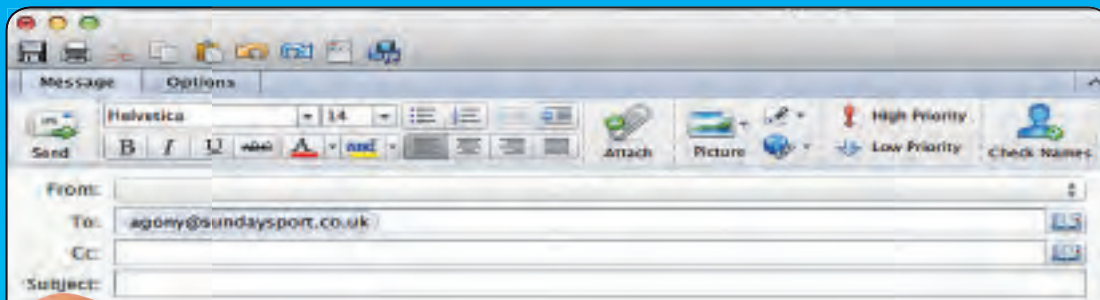

Lexi says...

YOU know what to do – stop NOW!

# I'm caught in a sex trap between two hot sisters

**Dear Lexi,**

**I'VE had a bit of a problem since I moved to a new village six months ago.**

I work in the only pub and fell for one of the locals. She's 29 and has a cracking figure.

We have a laugh and a joke every time she comes in and we fondle each other without the pub regulars knowing.

**Ripped**

I'd really like a relationship with her, but the problem is that I'm sleeping with her sister!

I met her soon after I settled in my little cottage and we've been an item since.

She's a great girl in her mid-30s and we have a great deal in common and a lively sex life.

Recently we had a lock-in at the pub and both sisters were there with me.

When I went to the toilet, the younger sister followed me.

She got my manhood out, ripped my jeans down and hitched up her skirt. Then she pushed me against

the wash basin and ordered me to f\*\*k her hard.

After 10 minutes we were still going for it when my bird came in.

She pushed her sister to one side, took her top off and started sucking me off until I came all over her massive tits.

I ended up shafting both of them – twice!

But the next morning, when we'd all sobered up, things were a little different and now they are asking me to choose between them.

I don't want to ditch either. What should I do?

*JL, Gloucestershire*

**Lexi says...**

IT seems like you are more keen on the younger sister, so I think your choice is an easy one.

**Dear Lexi,**

I USED to take my son to work and drop him off at the bus station.

One day, a young woman waved me down and asked if I was looking for business, but I told her: "No thanks."

But after a week of sexual frustration at home I decided to go back to the same spot and pick her up.

We drove to a quiet lane and she expertly sucked my cock while I played with her boobs before pulling up her skirt and riding her until I exploded.

I was soon seeing her four times a week and the sex was mind-blowing.

Is this OK?

*ST, Yorks*

**Lexi says...**

AS long as you have the dosh, yes.

**Dear Lexi,**

SINCE my wife had our first baby we've hardly had sex.

I've tried to remain faithful to her but last month her best mate paid us a visit.

We were alone as the missus had gone to stay with her mum for a few days – a fact I'm sure her mate was fully aware of – so I thought I'd try it on.

She was well up for it and soon we were in bed.

She's got a great body and massive tits and I probed her stiff nipples with my tongue until she begged me to f\*\*k her.

It was a real turn-on seeing my cock slide in and out of her wet pussy as I took her from behind.

She then asked me to do her up the bum – and I couldn't believe my luck, as my wife has never let me do this with her.

I was in heaven as I felt her sphincter relax and I pushed slowly in and out.

Later, she gave me a blowjob and let me shoot my sticky wad all over her tits.

I try to see her as often as I can and the sex gets better every time.

Life with my wife is so boring that I'm considering leaving her.

Her mate said she'll finish with her boyfriend and I can move in with her. What do you think?

*PT, Somerset*

**Lexi says...**

LUCKY old you!

## Stripper bonked me to keep her secret

**Dear Lexi,**

MY work colleague's wife works as a stripper in a club near my office in the centre of the city.

She's a busty blonde in her mid-30s and I happen to know she has shagged loads of the regulars in there – because I go there now and again myself.

A couple of months ago I watched as she did her super sexy show and then she offered blowjobs for a tenner-a-time.

Not surprisingly, there were lots of takers and she sucked off about twenty blokes.

She didn't notice me until she was going home and went white in the face when she did.

She explained that her husband knows nothing about her stripping and that she did it to earn extra money and because she was bored with her sex life.

**Licked**

She then said that I could shag her every Wednesday night if I kept my mouth shut.

To my shame, I agreed. The first time we did it was in my car. We got on the back seat and I licked her out before boning her from behind.

I've since f\*\*ked her in every hole and despite feeling guilty I was enjoying it.

That was until she told she now wants to leave her husband and move in with me.

It's the last thing I want when I've got to work alongside her husband. What should I do?

*GF, east London*

**Lexi says...**

STOP the sex and tell her you'll be happy just to watch her strip in the club in future.

**MIDWEEK Sport**  
ALWAYS HOME OF TOPLESS BABES

**B**USTY Angel Wicky may look like butter wouldn't melt but the naughty minx says she fantasises about being bossed about.

The beauty, who boasts heavy 32DD sweater stretchers, says she loves a dominant fella who takes control in the bedroom.

Angel enjoys role play where she plays hard to get and resists the fella's advances.

She said: "There is nothing hotter than a dominant man. I get so turned on by being bossed about in the bedroom."

"It depends on my mood in that moment. Sometimes I love being really submissive and eager to please."

"Having my bloke instruct me on how to lick and suck his willy, or at what pace to ride him, will make me climax faster than I can say 'Yes, Master'."

"I like a bit of bondage...whips, chains, handcuffs, all that stuff. Getting to play in a fully kitted out dungeon would be heaven."

"I love the power games!"

**SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDS FOR £25 (was £75)**

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

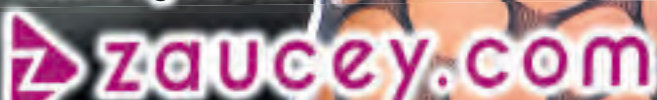

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smathers and Clarke Kent as Master Bates.

## LEILANI DOWLING

**PRESTON** plumber Shaun McDermott asked for the "sexiest photo we could find" of glamour legend Leilani, from Bournemouth.

Shaun, 36, said: "Me and the lads always chip in to buy *Midweek Sport* to read on our brew breaks, but we haven't seen that Leilani in the paper for years!

"Could you whack a picture of her in soon for us please?"

No probs, Shaun. Enjoy lovely Leilani flaunting her 34Bs.

**Haven't seen your favourite model for a while? Drop us a note and we'll put her in the paper!**  
**Email [request@sundaysport.co.uk](mailto:request@sundaysport.co.uk)**

## DIANA DOLL

**DISHY** Diana Doll was the pick of Geordie lad Simon Thornton, who thinks it's been far too long since he last saw her in the *Midweek Sport*.

Amateur referee Simon, 32, said Diana's 34C bosoms were the reason he started buying the paper and he always hopes for a glimpse of them.

Well Simon, we hope this saucy snap of Watford scorcher Dian helps keep you fit!

**GAIL McKENNA**

**CABBIE** Tony Parker did things the old fashioned way and put pen to paper to request this snap of 32D stunna Gail.

Tony reckons that Gail, from Ealing, north London, is overlooked as one of the fittest ever boobs-out models.

The 49-year-old, from Brighton, said: "Gail has that sweet innocent look in her eyes, but I know she'd run rings around me in the bedroom."

"She is a gorgeous girl and has a cracking pair!"

**S**HE'S got fine tats, has Gemma Massey! And the glamour legend has a kinky confession... she was once the sexy filling in a man sandwich. The 32G babe, from Tamworth, Staffs, said: "After a night out, my mate and his friend took me back and gave me a spit-roast. "Having a hard willy at each end was sensational! "It was such a thrill. I couldn't walk properly for three days afterwards. "They climaxed in my mouth and fanny at the same time, too, which was nice and made me come really hard."

BUZZING: Chris Wood

## Toon Army fires up big Chris to hit the heights

CHRIS Wood says the Newcastle fans have played a massive part in their march up the table.

When the Saudis took over and put Eddie Howe in charge, it looked like the Toon would be locked in a relegation battle until the end of the season.

But the former Bournemouth gaffer has steered Newcastle to eight wins and a draw in the 19 Premier League games he has managed.

That has left them 10 points clear of the drop zone and surely safe for another season.

Wood came from Burnley in the transfer window and scored a vital winner as the Toon saw off Wolves at the weekend.

He says the crowd has given him and the rest of the squad a massive lift.

And he is hoping for more of the same when his former club Leicester rock up at St James's Park on Sunday.

Wood said: "Some of the nights I've had, this crowd were the best I've played in front of."

"It is fantastic to be able to pull on the shirt and play for this club in front of these fans. They are fantastic and it is nice we doing the business for them."

Wood is delighted with the way the season has turned around since the Toon suddenly became the richest team on the planet.

He added: "We're in a much better position than we were three months ago which is a fantastic thing. We're looking to build and progress and get better and better."

"It's not about worrying who's behind us it's about pushing forward and seeing if we can catch who's above us. It's fantastic to be where we are at. A lot more hard work to go and a few more wins definitely."

Now he wants another raucous atmosphere when the Foxes arrive.

He said: "We know what this place can be like and it's coming back what it was."

"Over the last six months it has been brilliant, I think it's going on to a different level. You can tell how much they help us and the energy they bring."

## South Korean jumps above Sheringham and Keane in Tottenham scoring charts

**HEUNG-MIN Son deserves his place among Tottenham's greats after he joined their top ten scorers list.**

That's the view of two club legends who have been paying tribute to the South Korean hitman.

His weekend hat-trick against Aston Villa at the weekend took him to 135 goals for Spurs in 318 outings since arriving from Bayer Leverkusen in 2015.

That took him past Robbie Keane and Teddy Sheringham in the club's all-time scorer list.

And the pair have been talking about their admiration for the man who has knocked them down the pecking order.

Ireland legend Keane manager 122 goals in a Tottenham shirt.

He said: "Congratulations to

Sonny, an unbelievable, top, top player, and a top guy as well.

"I think he'll go down as one of the best and to go into the top 10 goalscorers is incredible."

"The goals, the energy he brings to the team... he's unbelievable to watch, always puts you on the edge of your seat, his enthusiasm, his will to get at defenders, his energy."

"He brings a feel-good factor to the group and to the fans. A fantastic player, I've always said he's one of my favourites."

"Congratulations again, Sonny, keep scoring my friend!"

Son's third goal against Villa took him past Sheringham's total of 124 strikes for Tottenham.

The former England international said: "You are always looking at Sonny to make something happen."

He has great ability, and he can score a goal, which is the icing on the cake for a wide man, a number 10 or a free role player, who has a bit of everything."

"Playing off both feet is massive. He takes chances with ease, both sides, which is very unusual."

"I know we've Harry Kane, who does the same, but Sonny's left-foot finish at Villa, tucking it in the corner, looks easy, but there aren't many players who can do that."

### Tenacity

"If you don't get the technique right, you can scuff them into the keeper, punch it past the post, but he puts a lovely bit of curl on it because his technique is perfection, rolls it into the corner, makes it look like an easy goal, but I can assure you it's far from it."

"He has that tenacity which makes him very hard to shake off the ball."

He's got a bit of everything, blistering pace as well, that stretches teams and gives Harry Kane even more space."

"I love that almost telepathic understanding with Harry, and Harry is phenomenal as well. He's got everything – as I told everyone five years ago!"

Son is now locked in a battle with misfiring Mo Salah to be top scorer in the Premier League this season.

The Liverpool forward has not scored in a whopping eight games now meaning Son is closing in on his total of 20, with the Tottenham man just three behind now.

Premier League scoring legend Alan Shearer is a big fan of the South Korean. He is putting Spurs' revival in recent weeks down to him as much as Harry Kane.

He said: "Three shots on target against Aston Villa. Three goals. It was a perfect performance in a match

**SON OF THE GREATS:** The Korean can't stop scoring

where clinical finishing was the difference.

Kane has formed a potent partnership with Son over the past five seasons.

But his manager Antonio Conte wishes the England skipper would think about his own scoring as much as setting them up for his team-mates.

The Italian said: "Harry, he was born a striker."

"But he has the talent and quality to play like a number 10 with another striker in front of him."

## Praise

"But I like to have him as a striker and then eventually another number 10. Two different players with different characteristics."

Despite knocking four past Villa, Conte believes the performances at the other end of the pitch were just

as important and worthy of high praise.

The manager thinks goalkeeper Hugo Lloris had one of his best games since he took over in north London.

He said: "Hugo was amazing – we are talking about a keeper that has won a World Cup and everything with France, the captain of his national team and us."

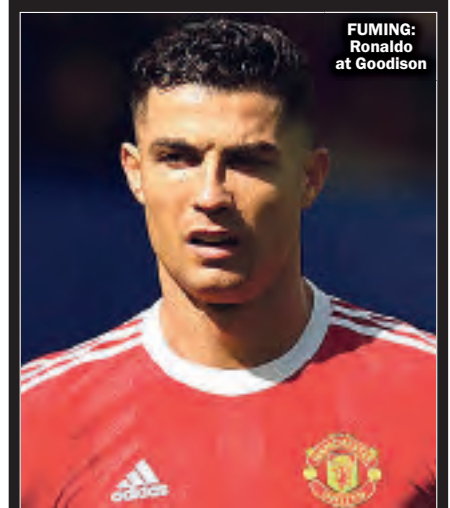

"Important for us because of his experience, today we needed him and he answered very well."

With games running out, Spurs have jumped above Arsenal into the crucial final Champions League spot.

They are three points clear of their local rivals and have a better goal difference – although they have played one match more.

The pair meet on May 12 at the new Lane in what could be the deciding game.

**LEGEND:** Keane

**FUMING:** Ronaldo at Goodison

# Phone slam fan's mum angry at Ron

By **ANDY MILLOM**

THE mother of the Everton fan who had his phone allegedly knocked out of his hand by Cristiano Ronaldo has slammed his and Manchester United's response to the incident.

The 14-year-old was near the area where the Red Devils players were coming off Goodison Park after their 1-0 weekend defeat.

Ronaldo appeared to knock the phone he was filming the players on out of his hand. The Portuguese apologised for his actions on Instagram. He also invited the boy to a match at Old Trafford.

He said: "It's never easy to deal with emotions in difficult moments such as the one we are facing."

"Nevertheless, we always have to be respectful, patient and set the example for all the youngsters who love the beautiful game. I would like to apologize for my outburst and, if possible, I would like to invite this supporter to watch a game at Old Trafford as a sign of fair-play and sportsmanship."

That went down like a cup of cold sick the boy's mum Sarah Kelly, from Birkenhead.

She is not happy with Ronaldo's actions or the way it has been handled since.

She said: "United have handled it terribly and it's just made things even worse to be honest."

"The way I see it is, if someone assaulted him in the street and then asked us to go around for dinner, we wouldn't."

**UNITED CHIEF:** Rangnick

**BLUES BOSS:** Lampard

Just because he's Cristiano Ronaldo, why would we do it?

"It's like we owe him a favour, but I'm sorry, we don't."

"We've kindly declined the offer to go to United because Jake doesn't want to go there and he doesn't want to see Ronaldo. He's made that pretty clear."

"They're not my words, they're my son's words. At the end of the day, this is what it's about."

"It's affected him more than it's affected me, so I have put everything to him to make his own mind up on – he doesn't want to go to United, he doesn't want to go to see Ronaldo."

"All that I'm saying right now is that it's in the hands of the police."

That incident aside, the defeat left United struggling to stay in the race for the top four.

They are seventh in the table, six points off the pace.

## French giants will pay £80m for Lukaku

**PARIS St Germain will offer Romelu Lukaku and Chelsea a way out of his Stamford Bridge nightmare.**

The big striker has been a huge flop since his summer move from Inter Milan.

Chelsea forked out a huge £98m for the Belgian

but boss Thomas Tuchel has never seemed happy with him.

Paris St Germain are willing to give the Blues most of that money back and bring Lukaku to the French capital for around £80m.

That seems generous for a 28-year-old who has

managed just two goals in the Premier League this season.

Tuchel has not given Lukaku much of a chance and has been critical of him every time he has been on the pitch.

He has preferred to play Kai Havertz and Timo Werner even though he has struggled to hit a cow's arse with a banjo ever since he

moved from Germany to west London.

Reports in France say Lukaku's agent Mino Raiola has even started talks with the French giants.

They need a new attack with Kylian Mbappe likely to leave and Neymar looking a shadow of his former self for the past few months.
